# NO LONGER TWO

JENNIFER MILLER

**Christian pastor and counselor Jennifer Miller reveals new insights into gender differences and marital roles.**

Imagine sitting down to play a game with no understanding of the pieces or the purpose and lacking the instruction manual. Can you picture the mayhem that might ensue? That is how most people approach marriage. They don't understand their roles, its purpose, and lack the instructions from the one who actually created it.

It navigates couples toward a stronger marriage by diving into biblical text, historical and cultural context, and exploring theological approaches to Bible passages on the relationship between men and women. It decodes the Bible as a marriage instruction manual; a manual that many people lack, misuse, or misunderstand.

No Longer Two is a fresh take on an old subject. In a conversational and witty writing style, this book explores neurology, psychology, and theology in order to understand the original design and purpose for the marriage relationship, as well as for the roles of husband and wife.

No Longer Two challenges assumptions and myths while honoring the value and nuances of both men and women. It demonstrates the brilliance of the divine design for this relationship, bringing together the strengths of each gender in a complementary way.

It reveals new insights into how men and women think and behave, citing brain studies and psychological principles.

This practical resource is easy to understand and fun to read. Readers are already describing it as a definite must-have for any couple.

---

## AUTHOR BIO

Jennifer Miller is both a Christian pastor and professional counselor who has dedicated her career to helping individuals, couples, and families strengthen their faith and their relationships. No Longer Two is a compilation of all the wisdom she has gained and shared over the years on what truly makes relationships work, as well as how to communicate across the gender gap. In addition to teaching and writing on marriage and family topics, she serves as the Co-Executive Director of a nonprofit Christian ministry, The Center for Living Well, located in Arizona with divisions in Canada and Michigan.
